Our New Year's Paddle - Englebright Lake - January 2nd, 2020!!

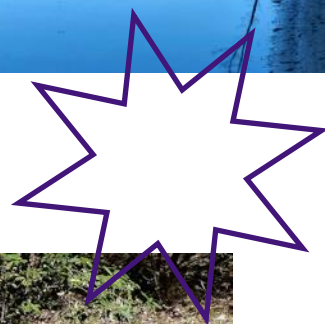

Our Happy New Year Paddle on Englebright Lake was wonderful on Jan. 2, 2020! We had a beautiful sunny blue sky with just a very light wind in the afternoon. Thirteen members participated, plus two new members joined us, Jackie & Rachael who fit in beautifully! It was Bob Branstrom's first paddle with us and Nancy Van Horn drove up all the way from the Bay Area again.

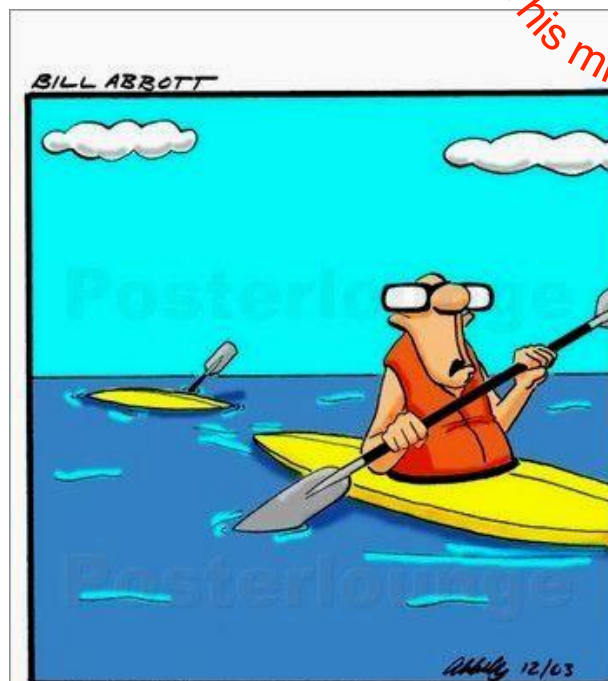

We paddled on smooth glass water about 5 miles to sunny Bucks Beach for lunch. Then, of course, a 5 mile

paddle back to the launch site. And we only encountered one power boat! A fun stop was made after the paddle at the Tack Room for a holiday cheer!

Our Programs Chair, Peter Johnson, has been doing a terrific job bringing excellent presentations to us each month. He offers that we SNCKC members have a wealth of ideas, friends and colleagues who might bring additional programs that members would enjoy! We request that you let Peter know of any thoughts you might have, he can offer ways to support your ideas to widen our scope! Our meetings are fun and informative because we all step up and share the tasks, share our connections and enjoy in the moment.

This might bring a Smile!

"Getting the hang of it?"
