## *Greetings from our President.....*

The challenging times have certainly continued this month. We are now several months into the coronavirus pandemic and sadly, the kayak club large social gatherings are still on hold. We have had to modify our behaviors but our club values remain unchanged. Individuals have been kayaking in small groups to continue being outdoors with beautiful scenery. All of our club camping trips have been cancelled though some members go camping together in small groups. We are having **Zoom** General Meetings with about 30 minutes of chatting before the presentation begins. If you haven't joined in, try the next one! Those that are participating are finding them to be fun get togethers!

The annual **SNCKC BBQ Picnic** at Western Gateway Park is now scheduled for **Sept. 24**. Sadly, it is unlikely that we will be able to gather together, but, **Save the Date** as we will have some kind of **club event** all can join. See you then!!

It sure looks like a Terrific Camping Trip to Celebrate Marlee's Birthday at Plumas Eureka State Park this summer. They hiked around the lake, played games and of course..... they KAYAKED!!!
